Hard-hitting Barry Shaw pounds another ball toward the fence as the Hustlers take on Bobcaygeon 8-0 in the second game of a best-of-five finals series Thursday night. Bobcaygeon won the series opener, so it's all tied up going onto game three this Wednesday in Bobcaygeon. Brian Shaw pitched Thursday's winner. Colin and Greg Newell each pounded out homers. Game four of the series is slated for 8 p.m. this Thursday in Minden.

Complex work is halted, engineer's report sought

A stop work order was imposed late last week on a section of the new seniors complex being built in Minden.

Municipal Building Inspector Brad Bradamore says he is not satisfied with the manner in which a block wall that forms part of the foundation is built.

An engineer must approve the work just completed

He has asked the construction company, Trexcon Construction, to have an engineer approve the construction before any backfilling is to take place.

"I'm not trying to hold up the project," says Bradamore. However, he says he can not overlook deficiencies in construction standards. Construction can continue on other sections of the project. However, the north wall

will be left alone.

His concern with this project is that the amount of mortar between the blocks does not meet with normal building practices.

He said the width of the mortar joints varies from nothing up to about four inches. Three quarters of an inch of mortar is standard for block walls.

The seniors housing complex is being built for

the Staunworth Non-Profit Housing Corporation. The building will be located below the Minden Arena, near Staunworth Court.

Bradamore said that Trexcon had agreed to have an engineer come in and look at the wall last Friday. If the engineer approves of the construction, the stop work order will be withdrawn.

Lutterworth man wounded after domestic dispute

Thomas Hachie, 24, of Lutterworth Township was rushed to hospital after he was shot in the arm during a domestic dispute last Thursday morning.

Minden OPP say there was a domestic confrontation at a residence south of Minden in Lutterworth Township. As a result, Hachie received a serious gunshot wound to his left arm. He was later transferred to Sunnybrook Hospital in Toronto, where his condition is being described as not life threatening.

Police say the matter is still under investigation to determine the circumstances, but Hachie has been charged with possession of a weapon dangerous to the public peace.

Students attend new school today

There were a lot of last-minute details to take care of, but the former Dollo's IGA was expected to be ready for today, the first day back to school.

Jim Bradley, Business Administrator for the school board, said Thursday that work crews were prepared to work through the weekend to make sure that everything was ready for the students and teachers. The new school, located on Bobcaygeon Road in Minden, is a satellite campus of Archie Stouffer Elementary School. It is being rented for a period of three years, or until Ministry of Education funding is released for a much-needed addition to the main school.

The idea of placing children into a former grocery store was obviously not very appealing to many parents when it was first proposed. However, with the extensive renovations both inside and out, the building is far more attractive and will suit its purpose well on a temporary basis.

The building has been split up into six rooms. Five are for classes and the sixth is a staff room. The classrooms are all well lit, clean, spacious and carpeted.

The entire playground is fenced off to keep out vehicles during the day. About two thirds of the play area is paved. The rest is top soil that will be seeded next spring.

Over the past few weeks the rumour mills have been working overtime providing ammunition against

the use of this building as a school. One such rumour was that the board had decided to use snow

fencing to close off the property instead of the chain link, which is now in place.

"There were a lot of ugly rumours," said Bradley.

(more on page 3)

There were plenty of details to attend to before the school was ready to open.

14 graduate from S.S.F.C. program

On the job training, academic upgrading and life skills were taught

by Anne Hewitt

Fourteen area residents have been given the means to enter the workforce after successfully completing a job skills training program.

The course, which was sponsored by Sir Sandford Fleming College in Haliburton, lasted for a

total of 30 weeks, five of which were spent on the job. The students were funded by the federal government's job development program, and applicants for the course registered through the Haliburton County Employment Centre.

The focus of the course is three pronged. Students

received on-the-job training, academic upgrading, as well as learning important life skills. "Students learn appropriate and responsible behaviour in five areas," said Sonny Cook, the program co-ordinator and life skills coach. "These areas are self, family, job, community and leisure."

"It was a great course!" said Debra Irvine, 25. She graduated with her class last Friday and has been hired part time leading to full time at Sears Canada Incorporated. "The course included classes in English, math, computers, retail and shorthand."

The success of the program has been every-

thing organizers had hoped for. "Last year ten women came to the program who hadn't worked for years. They needed to restore their self-confidence," said Ruth Travers, the office manager for the program. "The course did this. All except one are working." This year's graduates seem

to be following the same path. Roughly one third are working only one week after graduating, and most are taking correspondence courses.

"The success of the program is due to the students and staff working together for the maximum benefit of the group," said Cook.

Two-car accident injuries three

A two-vehicle accident Dorset last Tuesday people and an estimated cars.
on Highway 35 near resulted in injuries to three \$11,000 damage to the two James Black, 17, of

Three people were injured and there was an estimated \$11,000 damage when two vehicles collided on Highway 35 near Dorset last Tuesday afternoon.

Dorset has been charged with making an improper left turn as a result of the accident. He was travelling south on the highway when he made a left-hand turn in front of a northbound car that was being driven by Christopher Hone, 20, of Scarborough.

Sharon Lowe, 21 and Malica Archer, 15, were passengers in Hone's vehicle and received serious injuries. Joseph Ironi, 19, a passenger in Black's car, also received injuries.

School's transformation is remarkable

(from page 1)

However, anyone taking a close look at the school now will have to be impressed.

He also notes that the cost of the renovations to the board will be in line with the initial estimates of about \$5,000. Because work was still underway, he could not say what the total cost was going to be. However, he did say there have been no surprises as far as the cost of any of the work.

The three Grade 1 classes will be the first to try out the new school. For them, the first day of school is today. The two kindergarten classes will not be starting school for a few weeks.

One of the main concerns parents had about sending their children to this school involved their safety during bus loading and unloading. However, the board has come up with a system that appears to be as safe as possible.

The fencing around the play area has been built to allow for two large gates, through which buses will pass in the morning. Teachers will supervise while the students get off the buses. And once the

buses leave the grounds, the gates will be closed. A separate parking area is set aside for teachers and staff outside the play area.

Almost all of the buses carrying students to the two schools will stop first at the satellite campus in the morning. In the afternoon, the students at this campus will catch a shuttle bus back to Archie Stouffer School, where they will transfer onto the buses to take them home.

New school

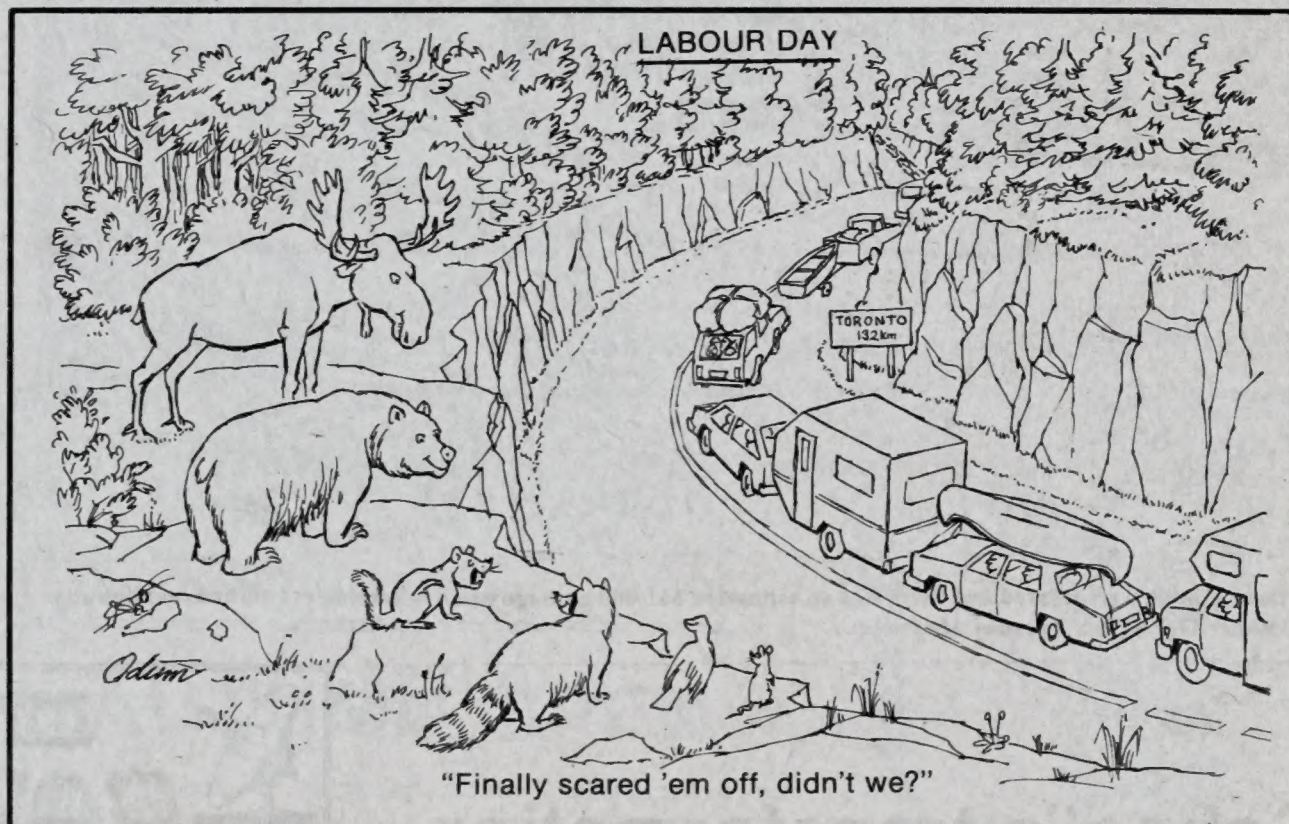

It is very encouraging to finally see the former Dollo's IGA store cleaned up and put back into use, even though the use is a less-than-perfect solution to another problem.

Beginning today, the building, which has been vacant for about two years, becomes a temporary school facility to ease the overcrowding at Archie Stouffer Elementary School. The building, which has been somewhat of an eyesore in the past, is now quite attractive, with its fresh coat of paint and modern-looking siding. It no longer looks like an abandoned grocery store.

Although there has been a good deal of opposition to the proposal to use this facility for a school, it is plain to see that many of the fears expressed at the public hearings have been addressed in the design of the building and grounds. The bus loading area appears to be very safe. The classrooms are large and bright, unlike portable classrooms and there is plenty of play area, paved and sandy, for the young children to enjoy.

Virtually everyone agrees that using this building as a school is not a perfect solution to the overcrowding at Archie Stouffer Elementary School. However, it is not all bad either. And as an added benefit, the downtown core has an attractive building in place of what appeared to be an old rundown building.

As the school year progresses, we're sure the students, staff and parents will grow accustomed to this new school. However, we must not allow ourselves to get too comfortable. This new school is a way of making the best of a bad situation. What is really needed is an addition at Archie Stouffer School.

AIDS poor comparison

Editor:

I have not seen Letters to the Editor published in This Week. Notwithstanding I am sending this note, hoping that you will print it. It was prompted by the headline on an article by

Marion Strebog which appeared in This Week, July 11 - 18, 1988. The actual article which began on p. 8, was entitled Trees in Distress. But on page 18 the article continues under the headline Forest Dieback is AIDS of Trees.

I presume this was taken from the comment in the article (p. 18 column 2, lines 1 - 2): "...refers to dieback as the AIDS of trees."

I write because the simile is far from correct. AIDS, the acquired immunodeficiency

syndrome of human beings, discovered in 1981-83 is a virus infection. It is spread from human being to human being largely by sexual intercourse (oral, vaginal or anal). A very

(more on page 5)

Crispy, crunchy couch potatoes

Have you ever thought about how much we owe the common potato? Can you imagine a world without potato salad, potato chips, potato latkes or potato pancakes. To say nothing of the entire potpourri of ordinary potato reincarnations - I mean, you can enjoy your tumescent tuber boiled, broiled, baked, chapped, mashed, creamed or roasted in its own nubbly skin.

Nossir, you don't have to live in P.E.I. or New Brunswick to doff your cap to this humblest and homeliest offering from the garden patch, but all of the aforementioned accomplishments are ... well, small potatoes, to the spud's great contribution in the field of sociology. I refer to those low-growing, lethargic but strangely stubborn pockets of vegetation that have blossomed in living rooms, dens and recreation centres across the continent. They can be found growing on chesterfields and davenport, on LazyBoys and chaises lounges. They may occur singly, in pairs or in family clusters of a half dozen or more. And they don't require much in the way of nutrition - they thrive on beer and Fritos, but a frugal diet of light reflecting from a glowing TV screen will keep them happy.

black 'n white

by Arthur Black

I'm talking about Couch Potatoes - those flaccid souls among us who spend increasingly huge chunks of time sitting in front of the boob tube. Couch Potatoes have their favourite programs but they don't insist on them. A true Couch Potato will watch anything - test patterns even.

The sacred principle of Couch Potatoism has nothing to do with program discrimination or acquisition of knowledge. The whole crux of the cult is to turn that TV on and then Not To Move except for black fires, Acts of God or extremely urgent calls of nature.

Couch Potatoes represent a kind of super mutant strain of the conventional TV addict. Old time TV fans at least got up and raided the fridge during the really

boring commercials. Thanks to satellite dishes, remote control channel switchers and the video cassette recorder, your modern Couch Potato moves about as frequently as your average fire hydrant.

And it's not a joke. Couch Potatoism is becoming a serious business. Last month, the organizers of the Sonoma County Fair in California paid John Silveira \$1,000 US to do what he does best: sit in front of a TV set eating peanut butter sandwiches and watching Cheers reruns. John Silveira is a professional Couch Potato and the chief display in Sonoma County's "Great American Couch Potato Pageant."

The CP Movement is even more serious in Japan. Allow me to introduce Kiyotaka Yamana. Mister Yamana is a 28-year-old Tokyo businessman who hopes to do for Couch Potatoism in Japan what Johnny Appleseed did for orchards in America. Mister Yamana is chief executive officer of the Couch Potatoes Club of Japan Formation Committee. He works tirelessly to foster and promote the concept of

August weather

by Phil Graham

	C	F
Average high	26.1	80.0
Average low	12.3	54.0
Average for month	19.2	66.5
Average for last August	17.5	63.5
Highest temperature August 4	34.0	93.2
Lowest temperature August 22	1.5	34.7
Total rainfall	93.8	3.6 in.
Rainfall for last August	44.9	1.7 in.
Days with rain	9	
Days mostly sunny	14	
Mornings with frost	1	
Days with thunderstorms	6	
River temperature August 31	21.0	70
River temperature last August 31	20.5	69

August continued warm until the 17th then dropped to normal temperatures. Every day was over 25 degrees and in the period 8 days were over 32 degrees C.

Rainfall was normal at about 4 inches. Rain on August 9th, over an inch, eased the drought and helped lawns and gardens.

Frost on the morning of August 22 was light and caused no damage, but it leaves only one month, July, of the year, frost free.

Hurricane season is September and October, last year we were lucky, none passed by or near Ontario, hope we continue free of them.

Forests do not get AIDS

(from page 4)

few cases arise in individuals who take drugs by intravenous injection (main-lining) and who share sterilized needles with people who already have the disease.

To my knowledge AIDS is not a term used to describe the severe illnesses of human beings which result from over-exposure to pesticides or other chemicals. One form of this disease syndrome is the so-called 20th Century Disease, which is often due to an unfortunate coupling of a bout of infectious mononucleosis (caused by

the Epstein-Barr virus) and subsequent exposure to a pesticide before the body has totally recovered from the "infectious mono".

Although I would not wish to minimize the seriousness of forest dieback, it is perhaps not wise to link it incorrectly to a human disease. It is very important for us to understand that the primary cause of AIDS is infection by the human immunodeficiency virus (HIV). This is transmitted by well characterized pathways which we can avoid.

Homosexuality issue makes waves

by Rev. Ed. Moll

In response to General Council: - from a sermon preached on Sunday, August 28, 1988 at Zion, Maple Lake, and Minden United Churches.

Herbert Brokering writes modern-day parables in his book "I Openers". This is one of them:

"Once there was a church that couldn't agree. They always kept on saying the majority rules. So they installed a computer. Every member can dial in and get opinions on anything programmed in. The computer is very busy keeping the opinions correct. The people never vote anymore, or have congregational meetings. They even send favourite beliefs. They just dial in and get the majority opinion. No one sees any

reason for meeting anymore. The majority voted to stay away. They feel as long as they know the majority opinion everything is going fine."

Before I came to Minden to be your minister, the pastoral relations committee asked me, among other things, "What do you think of the ordination of homosexuals?"

I answered something like this:

"There are two things to consider - theological and biblical integrity; and pastoral care. Integrity without care is lifeless. Care without integrity is without foundation.

On the issue of the ordination of homosexual persons you can tie your boat to the rocks of either side. You then take the real risk of it being

dashed to pieces by the rough waters in between.

Where do I stand?
I'd rather be sailing..."

I must admit, that for the past week the waters have been getting exceedingly choppy.

Along with many of you, I have been following the proceedings of the United Church's general council with intense interest. The dominant issue was the ordination of self-declared homosexual persons. The result of the vote, 205 in favour, 160 opposed, surprised me. I had expected to see the opposition carry the day.

So, upon hearing the result, I knew that I would have to address the worry, concern, disappointment,

(more on page 7)

Stanhope firefighters suggest ways to prevent disaster

submitted by
Stanhope Fire
Department

The Stanhope Fire Department is participating in the Ontario Forestry Association's Forest Fire Prevention Program.

"Ontario is burning". You may have seen this aptly worded slogan in various posters in the community. Especially with this year's heat and drought conditions.

This summer our province suffered close to 3,000 fires destroying more than 250,000 hectares of forest. At the height of the fire season almost 200 fires were being reported daily. On July 15, 122 active forest fires were being battled by 176 fire crews.

Well what can we do about this? Firstly realize that forest fire prevention is a responsibility we all share and then adapt good fire prevention measures.

We can't control lightning strikes but the other two main sources we can control are debris and brush burning and campfires.

If you are planning to burn grass, brush or debris between April 1 and October 31 you require a fire permit.

They are free and locally

obtainable through the Ministry of Natural Resources office, Township offices and designated offices. Also get a fact sheet that gives you safe debris burning tips and how to make your own incinerator.

Be aware that under extreme hazard conditions, burning permits may be cancelled and campfires may even be prohibited. When in doubt call the Ministry Fire Centre 457-2107 or your local Ministry

office.

Smokey told us years ago how to make our campfires safe but do we still remember how, and have we told our children?

Make your camp fire safe

1. Build camp fire away from overhanging branches, steep slopes, stumps, dry grass and leaves.

2. Scrape away burnable material in a 10' wide circle.

3. Keep water handy (second choice - soil or

sand)

4. Keep campfire small.

5. Never leave campfire unattended - the wind may come up and spread the

fire.

Be sure your campfire is out

1. Drown it with water

(soil or sand).

2. Stir, add more water and stir again.

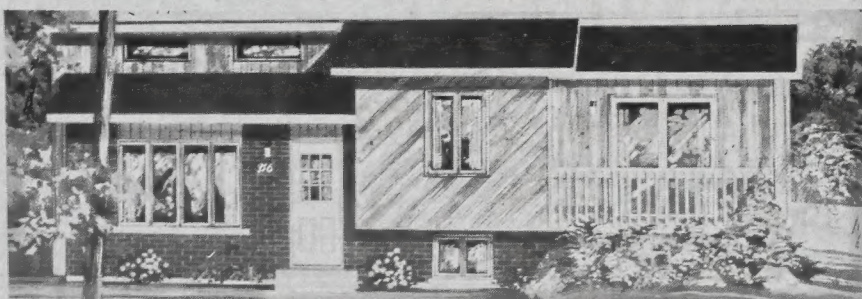

3. Feel the coals and ashes and make sure no roots are burning.

The Stanhope Fire Department has been increasing the public awareness of the need to adopt good fire prevention measures via displays at local public functions including a rare appearance of Smokey the Bear. Fire prevention material in the form of fact sheets and giveaways suitable for kids and adults were provided. A poster campaign and other public contacts are being implemented.

Inspections of cottage roads, road rights-of-way and landfill sites are also an ongoing process.

Forest fire prevention is you. Or as Smokey would say, "Only you can prevent..."

Don't take hasty action

(from page 5)

and anger that would be present for the most of you.

Before I say anything else, I should give you the partial text of the resolutions that were passed at general council:

"...the 32nd general council challenges the United Church of Canada to continue to be a covenant community, wherein ... we acknowledge that we are unclear at the present time as to what God's complete intention is in relation to human sexuality, even as we affirm our support and appreciation for the gifts of Christian marriage, the gift of celibacy, and the way of chaste singleness.

On the strength of our ongoing covenant relationship as the United Church of Canada, we are called to examine two theologically based but culturally conditioned views, namely:

- An undue emphasis on sexual morality which has, from time to time, caused the Christian church to lose perspective on the whole variety of human sinfulness; and

- an undue elevation of the sexual aspect of our being in our times, making this an idol we worship.

Neither view is fully consistent with God's intention for us, nor has either view liberated us to faithful love in Christ.

(Therefore be it resolved)

That all persons regardless of their sexual orientation, who profess faith in Jesus Christ and faithful obedience to Him, are welcome to be or become full members of the church.

All members of the church are eligible to be considered for ordered ministry.

All Christian people are called to a lifestyle patterned on obedience to Jesus Christ.

That all congregations, presbyteries and conferences convene to work out the implications of sexual orientation and lifestyle in light of the holy scriptures...

That all questions from committees of congregations, presbyteries and conferences regarding the sexual orientation of candidates are inappropriate.

That the report **Toward A Christian Understanding of Sexual Orientation, Lifestyles and Ministry**, does not reflect the present position of the United Church of Canada, therefore this report ought to be considered an historic document...

Already some of you have raised your concerns with me. There is anger and there are threats to leave the church - it is not the one you joined or you don't want to be associated with a church that openly accepts lesbian or gay ministers. Some of you wondered how the commissioners could have voted the way they did knowing how the majority of the congregations felt. Some of you expressed surprise and disappointment and were very concerned about what will happen to the church, but will stay.

Some want the congregation to split from the United Church; others support the resolution but are nevertheless concerned with its effect on the local church. There are yet those of you who know what you think and what has been taught, but whose hearts have

Reverend Moll admits he has reservations about the General Council's decision.

been touched by a personal experience that makes you think twice before judging hastily.

It may be cold comfort, but you can be assured that you are not alone with those feelings. They are resounding across the country.

I have problems with the resolution. There is no definition of sexual orientation. There is no distinction made between sexual orientation and sexual behaviour, either heterosexual or homosexual. There is no definition of "obedient lifestyle". The wording is vague, perhaps purposefully so.

I do want to point out some implications of this resolution from the way I see it:

First, and most important, each congregation has the responsibility to discern God's will regarding Christian lifestyle for its members and candidates for ordered ministry according to the scriptures. Michael McAteer, religion editor of the Toronto Star hit the nail on the head when he said that the decision for suitability is where it has always been - with the congregation. Until this time the church has been working with a lot of assumptions about "correct lifestyle" for Christians. The congregations are now called on to examine those assumptions.

Second, in spite of a change in atmosphere, there has been no real change in policy. A person's sexual orientation never entered his or her consideration for the ministry. I think part of our surprise comes from a church stating formally what it has assumed before and what it has been doing for years.

Third, the report "toward a Christian understanding of sexual orientations, lifestyles and ministry" was rejected. Being classed as an "historic document" simply means that it goes to the archives. As one colleague put it "the report has been relegated to the ash-heap of history."

Fourth, the church is still deeply divided on issues of scriptural authority and interpretation. But then, that is nothing new. We have been divided on this since the beginning of Christianity.

I will now tell you what I will not do and what I will do.

I will not leave the church. I will not lead a split from the church. I will not even lead a faction within the church. I will not tell you what to think. Finally, I will not reject the resolution made by general council. I have problems with it, but I can live with them.

What I will do is stay and work for peace, reconciliation and understanding between those who differ in their convictions. I will listen to, acknowledge and try to understand the hurt and the pain that many of you feel about this decision. I will try to suggest alternate perspectives on this and other issues.

I will emphasize, as I have in the past that as the church we are the body of Christ. We are not amputated limbs. We are in covenant with each other because we have been baptised into one faith, one body, and one Lord.

I will continue to preach the gospel.

Now I have some practical advice for you.

Anger, hurt, disappointment are normal feelings for those of you who have opposed the resolution of general council. Nevertheless, I appeal to you:

Don't leave. That is a cop-out. It is far, far better to stay and help us work out the implications of this resolution for our own congregation. Besides, leaving means you are breaking covenant with Christ's body in your congregation.

Don't take any hasty action. Wait until we have had a chance to hear from those who went to general council to find out not only what happened but how it happened.

Remind yourself that this congregation has had, and will continue to have, a mission to the surrounding community. Leaving, or splitting only serves to weaken its own unique witness to the love of Christ here.

If you are not already involved in the life and work of the church and this congregation I urge you to do so now. The more involved you are, the more you feel you have a stake in what is going on here. There is a lot of work to do in Sunday Church School, in outreach and visitation, in study groups, in special events, in mission and service.

Finally, may I offer some advice from Saint Paul, who himself was no stranger to churches in conflict. He wrote to the church in Ephesus:

"So put on God's armour now! Then, when the evil day comes, you will be able to resist the enemy's attacks; and after fighting to the end, you will still hold your ground.

So stand ready, with truth as a belt tight around your waist, with righteousness as your breastplate, and as your shoes the readiness to announce the good news of peace. At all times carry the shield of faith; for with it you will be able to put out all the burning arrows shot by the evil one. And accept salvation as a helmet and the word of God as the sword which the Spirit gives you. Do all this in prayer, asking for God's help. Pray on every occasion as the Spirit leads. For this reason keep alert and never give up; pray always for all God's people. And pray also for me, that God will give me a message when I am ready to speak, so that I may speak boldly and make known the gospel's secret." Ephesians 6.13 - 19.

Minden OPP notes

During the week of August 22 to 29 officers at the Minden OPP detachment investigated 81 general occurrences and 15 traffic accidents with five persons injured.

Driver preoccupation can be fatal.

Lost
Maple Lake - nine foot yellow mini max Seaflee boat and 10 h.p. Chrysler outboard.

Haliburton - Black leather credit card holder with various cards.

Found
Grass Lake - 18 foot aluminum boat with green fibreglass top.

Minden - Cooley shot gun barrel.

Thefts
Eagle Lake - tools.
Benoir Lake - 8 h.p. Mariner Mercury motor

grey in colour, 95 watts Minnkota electric motor (black).

South Kashagawigamog Lake Road - Silver Mailbox.

Highlands Jewellery Shop - Bulova watches.

Assault
Eddie Dean Cole of Brantford has been charged with common assault after a domestic dispute at a residence on Highway 121.

He will appear in court on October 5. Constable B.J. Connelly investigating.

Muskoka MPP heads task force

by John Eakins, MPP

This week I would like to discuss three important initiatives undertaken by the government concerning affordable housing, drug abuse and computerization.

First, 47 non-profit housing organizations in 22 municipalities across Ontario have been given the green light to develop plans for more than 4,000 affordable housing units.

The program is designed to serve low and moderate-income people who cannot afford decent housing.

A portion of the units is being allocated to housing agencies dedicated to producing accommodation for people requiring some form of support care services. Funding will come from the Ministry of Community and Social Services and the Ministry of Health.

Rents in approximately two-thirds of the units will be established on the basis of household incomes of lower-income tenants. These tenants will pay no more than 25 percent of their gross household income on rent. Other

tenants will pay market rents. These units are in addition to the 30,000 affordable rent units pledged in the April provincial budget. In total, the Ministry of housing is committed to establishing 55,000 units over the next three to five years.

Switching over the subject of drug abuse, we were all shocked by the death of the young Toronto boy Benji Hayward. In light of this tragic drug-related death, the Honourable David Peterson, Premier of Ontario, has created a

Task Force on Illegal Drug Abuse. My colleague Ken Black, MPP for Muskoka-Georgian Bay, will lead the task force, which responds directly to a recommendation of the coroner's jury. Its mandate is to review the current range of governmental and non-governmental programs and activities related to drug abuse prevention treatment and enforcement.

The task force's recommendation for further action will be presented to the Premier by October 14, 1988.

Finally, our govern-

ment's enormous file of 1.6 million Corporation and business records will soon be computerized. A consulting contract has just been awarded to Price Waterhouse, which will eventually lead to full computerization.

The Ministry of Consumer and Commercial Relations' Companies Branch operates a manual

information system of 1.1 million records of active corporations, partnerships and sole proprietorships.

Couch potatoes

(from page 4)

Couch Potatoism in the Land of the Rising Sun.

Alas, it is not going all that well. A philosophy devoted to pure sloth is destined to be a slow seller among the intensely competitive, hyper-ambitious Japanese. Despite all of Mister Yamana's efforts to plug the concept, Japan's branch plant Couch Potato experiment has not, as it were, taken root.

But Kiyotaka Yamana is not giving up - even though the endless round of media interviews and public demonstrations doesn't leave him with much time to sprawl around in front of his own TV. Mister Yamana continues to spread the TVangelical word.

Why? Mister Yamana has been smitten by a fad, that's why.

"Maybe it's the brightness Americans have," he says, "or the affluence ... that's the point Japanese people are lacking."

Affluence? In America? You could buy an entire town in Tennessee for a month's rent in downtown Tokyo.

Brightness? Americans? The *National Geographic* recently published a poll that shows 15 per cent of Americans between the ages of 18 and 24 could not locate the United States on a world map.

With all due respect Mister Yamana, you might consider signing yourself in at the Outpatients Clinic of Tokyo General, get yourself a medical checkup.

Sounds to me like you're suffering a touch of Potato Blight.

Lions active at County Fair

Hi, were you a lucky winner in the draw for a trip to Nashville? As you read this column the lucky ticket will have been drawn.

Haliburton County Fair weekend was a busy one for our club. We had a Canine Vision Canada Seeing Eye dog with us, at our booth when we gave

from farm animals, which coming from the city he had not heard before. Soon he will go into final training and then be given to a blind person at little or no charge. Canine Vision Canada is one of a number of Lions projects.

Our club organized the talent show competition arranging for the judges

local council before this could be accomplished. Lions painted the material. We wish to give a special thank you to Clayton Cameron for his guidance and help.

This year Minden and District Lions Club will be involved in our International Peace Poster Contest for young people

the posters. One winner advances to the world-wide contest. This winner will receive a cash prize, plus an engraved commemorative plaque to be presented on Lions day at the United Nations in 1989.

Minden has been fortunate the past few years in attracting new and repeat special weekends. There has been some inconvenience at times, however every special event brings more people to town. Hopefully we can have more of these weekends.

The Lions club needs the pull rings on the top of beverage cans. This will help us purchase a wheel chair. More about this new venture in our next column.

On Thursday, August 25, the Lionesses served the birthday tea for the residents of Hyland Crest. They are now gearing up for their Christmas Hamper Draw.

An update on our eye glass program: we have sent 473 pairs of eye glasses

over the past 12 months to Jamaica, Haiti, Mexico, Honduras. These countries are not as fortunate as our country and we thank all

the people who have donated these glasses. Technicians voluntarily travel at their own expense to fit these glasses.

for your service

by Alan Thompson

out balloons to the children. The dog's name is Sebastian and although it is under one year old, he performed well at our booth, in the trailer during the parade and then back to the booth again. He also won a prize in the dog competitions. The Mabbott family are doing a great job with Stacey taking tender care of the dog. How interesting it was to watch it turn its head when there was a horse whinny or other sounds

and prizes. We thank the judges for their time given so freely, as music teachers they are busy people. Lion Hugh McIntyre made these arrangements. Thanks Hugh.

Thanks to the work of Maurice Boyd and the co-operation of all service clubs sharing the cost, people driving on the bypass will be able to see the service clubs we have in Minden. Maurice contacted the clubs, the Ministry of Transport and

in grades 6,7 and 8 (ages 11-13). This is a challenge to 'Paint a Picture for Peace.' The theme is 'Peace Will Help Us Grow' as we have 37,000 clubs in over 160 countries around the world there will be a million young people thinking of this theme and asking Mom and Dad about it. Every school will have an opportunity to enter and a winner and runner up will be chosen and prizes awarded. Local artists have agreed to judge

Trent-Severn report

Very dry conditions occurred over the weekend of August 20, 21 which resulted in considerable decline of the lakes levels. Reservoir lakes in Haliburton averaged only 51.5% by Monday, August 22. This was about 2% higher than 1987, but still 13% less than the 10 year average.

To hold downstream navigation levels, an increase in flow for most reserve lakes was required on Tuesday the 23rd. By Friday, August 26, however, the rains had increased the levels enough to allow most of this increase to be cut back again. Stoplogs were re-inserted at many Haliburton dams to reduce the draw of water.

Wetter conditions appear to be re-established so possibly the heaviest draw of reserve water is past. Rains in the Kawarthas have given a boost to the levels and if the weather is wetter and cooler as in recent days, the worst of the drought conditions may be past.

Cameron takes title in women's softball tourney

The team from Cameron was the big winner in the Rockcliffe Snack Bar Invitational women's softball tournament held August 27 and 28 at the Minden diamond. The team captured the championship in a play-off game Sunday, defeating the Kawartha Klassics 6-3. In addition to the championship trophy, donated by the Kinvale Restaurant in Kinmount, the champs received \$200 plus their tournament registration fee.

The Minden squad, perhaps distracted by the duties as hosts for this first tournament, lost the first two games and did not figure in the final standings. They were defeated by the Klassics and the team from Coboconk.

The West Guilford entry made a stronger showing, defeating Fenelon Falls 12-1 in the opener, but were shut-out of further competition when they lost their second game 13-2 to Cameron.

Consolation honours went to the Coboconk team, who received the Rockcliffe Snack Bar

trophy and \$75 in prize money.

This was the first year for the tournament, and although there were a few no-shows in the line-up, organizers were generally pleased with the results of the event. Plans are in the works to make this an annual competition.

SLACAR outing a 'people day'

Submitted by
Ken Brown

Deja Vu?

For attractive 16-year-old exchange student Sophie Bechitole, the South Lake Association of Cottagers and Residents annual corn roast might

well have been the scene of a barbecue in her home village in the east central section of France. The lakeside setting on the lawn of Phyllis and Kevin DeGrace's property overlooks our pleasant South Lake rather than the foothills of the Alps, but it

was indeed a 'people day'; a kind of universal happening. Great food, les jeux for the children of all ages with much laughter and fellowship was the order of the day.

SLACAR president Bob Martin wanted to sing La Marseillaise for Sophie on

Saturday, August 27 but instead graciously welcomed more than 115 guests including two visitors from Scotland and then turned the program over to chairperson Gayle Rowett. Bunting, balloons, good weather, sack races, soda pop, coffee and

40 dozen superb ears of corn combined with great preparations by Gayle and her committee, all made for a wonderful day. Merci, merci, to Gayle, Phyllis and Kevin DeGrace, Eleanor Lymer, Donna Martin, Marie Roy, Peggy and Bill Kelly.

A special tip of the chapeau to Chef Ray Lymer and his assistants for a steady supply of steaming, delicious corn which followed egg tossing contests, balloon races and lakeside gossip.

Pounds of fish caught

(from page 16)

photos taken at last year's picnic was great. We are all anxious to see the action shots of some of the hilarious moments of 1988 - especially the young and the not-so-young in the group lawn ski race.

Prizes to the winners of the Fish Derby were awarded to Scott Murphy, Eric Ladly and Paul Donaldson in the under 13 age group for their angling skills. Stephen Webster and Jeff Donaldson brought in the largest weight totals for the 13 to 15 year olds. Our thanks to Home Hardware for their support as well as the Minden IGA. There are probably only a half million bass left in the lake after the great effort by our fishermen. Next year, perhaps, we will run the fishing derby for an entire week.

The past and founding president of SLACAR, Barb Lester, did a brisk business in T-shirts, sweat shirts and hats all bearing the distinctive loon insignia of South Lake. The Province of Ontario is to be commended for borrowing our idea in designating the Loon as

the official bird of the Province. Now it is up to each one of us to do all we can to protect and maintain our environment so as to ensure that the loon can survive and thrive in the future.

Perhaps when 17-year-old Karen DeGrace joins her friend Sophie for three months in France, their exchange may include a picnic or corn roast with the good people of Riom.

The kids will be dressed as they are all over the world in their sneakers, Benetton shirts and shorts while playing the same picnic games. Grandparents will proudly keep watch over the new grandchild just as we did on South Lake.

I hope they have a great soiree and if they are lucky they will enjoy their day almost as much as we did here in Haliburton County.

Haliburton Legion marks 60 years

by Mabel Brannigan

September 18, 1988, is a special day for Branch 129 Haliburton. On that date, we will celebrate the 60th anniversary of Branch 129.

In 1928, Branch 129 of the Royal Canadian Legion received its charter. In the early days, leadership was provided by such men as Dr. Frain, Mr. A. Schofield and Mr. Edgar Bentham.

Because of very difficult times, in 1932, a motion was passed to surrender the charter and the remaining funds were turned over to the newly formed "Haliburton Soldiers Club". Somehow, Comrade Schofield tucked the charter away and forgot to return it. In 1945, veterans were returning and Comrade Schofield found the charter and Branch 129 reorganized. Also, in 1945, the first Legion hall was built and in 1945, the Ladies Auxiliary to Branch 129 was formed.

Unfortunately, the hall was destroyed by fire. Enthusiasm was at its highest peak. A new Legion hall was built and the mortgage burned in 1960. Branch 129 was victim of another fire. In 1963, the magnificent building was destroyed along with charters, band instruments, war memorabilia and personal papers. The loss was only partly covered by insurance, so once again, members were confronted with another task of rebuilding. Weekly bingos, car draws, and other fund raising projects, along with the great support of the Ladies Auxiliary, the latest building was dedicated in 1964. The mortgage

burning ceremonies took place on November 11, 1970.

Since its inception, the top priority of Branch 129 has been needy veterans and their dependents. Without fanfare or publicity, most of this is accomplished through the Poppy Fund which the public has faithfully supported.

Since 1970, large donations have been given to hospitals. Branch 129 supplied the leadership which put Haliburton County over the top in its share of the installation of the CatScan in Civic Hospital in Peterborough. A pipe band was formed which has proven to be our greatest public relations asset. To date, three District Drumheads have been hosted. A Sherman tank and a CF100 aircraft were purchased. In addition to countless

charities, thousands of dollars in donations have been given to student scholarships and bursaries as well as to minor hockey and other sports. Another special project for over 30 years, has been the sponsoring of cubs and scouts.

In 1978, a modern new kitchen was added upstairs along with a larger auditorium and a downstairs games room. The mortgage burning ceremonies were held on April 30, 1983.

On November 14, 1982, a County Memorial Cairn was dedicated in Minden. The County Cairn was erected by Branch 129 in memory of all the County youth who gave their lives for Canada in both World Wars. In 1984, land was purchased for a senior citizens apartment building.

60 years of service

(from page 18)

While veterans are aging, Branch 129 is not. The Branch is responsible for innovative ideas such as the birth of Bluegrass in Haliburton and with Bluegrass came the strong force behind the Glebe Park development. Several members have served and are serving as Zone and District officers and chairmen. In 1985, the 1129 Army Cadet Corps was formed with one of our cadets winning the top award in 1988 at Petawawa. When the new branch in Minden was formed, Branch 636, Haliburton Branch 129 presented a gift of \$5,000 to the Minden building fund.

Branch 129 is one of the focal points in the community affecting the lives of many. The building is used for weddings, banquets, local court, driver tests, Department of Veterans Affairs, senior citizen events and election polling booths. In some way, Legion Branch 129 touches the lives of almost everyone in the community.

The Haliburton Legion Branch 129 has hosted three drumhead services, attracting participants from throughout the area. The large contingent of flags provided a colourful display as they marched to the bandshell in Haliburton.

It is hoped that all members will share in the 60th anniversary celebrations of Branch 129 on

September 18 by attending the 11 a.m. service at St. George's Anglican church followed by a wreath laying ceremony and dinner at the branch.

senior league

by Pearl Lyle

Hello Readers: It's beautiful weather now. Hope it lasts awhile. We welcome Mr. Marshall Harrison to Hyland Crest. He is our latest resident.

Mrs. Grace Coburn has gone with her daughter to Victoria, B.C. for a week visiting. Guests of Ada Lewis last week were Mr. and Mrs. Ted Barton of Peterborough. We enjoyed a pleasant afternoon with Mr. and Mrs. Foster of Mountain Lake. Their music and singing was very much enjoyed by everyone. We look forward to having them play for us again. Thank you folks, we did enjoy you.

Mr. and Mrs. Williams of Peterborough called on Winnie Barnum one day last week. Jean Hewitt and Anna Gordon called on me

yesterday. Lil Pratt took Gertie McKay for lunch on Tuesday and spent a pleasant afternoon playing cards. Winnie Barnum's son Terry came and took her for dinner Sunday evening.

"Let us therefore follow after the things which make for peace, and things wherewith one may edify another."

Bye for now.

*Maybe it's time
you jumped
into something
more demanding
than a car pool.*

Grants awarded

The townships of Snowdon and Mariposa will share in over \$90,000 in provincial road subsidy funding, MPP John Eakins has announced.

Snowdon Township will receive \$11,300 in 1988-89 road subsidies. This funding will be used for the prime surface treatment of the Howland Junction

Road.

This project is on top of the normal financial support given by the provincial government for municipal road improvements.

Eakins, MPP for Victoria-Haliburton, made the announcement on behalf of the Honourable Ed. Fulton, Minister of Transportation.

YOU'VE GOT WHAT IT TAKES

CORPORATION OF THE TOWNSHIPS OF ANSON, HINDON AND MINDEN

NOTICE

(File #RA-87-17)

IN THE MATTER OF the Municipal Act; and IN THE MATTER OF a proposed By-law of the Corporation of the Townships of Anson, Hindon and Minden to stop up, close and convey to the adjoining landowners portions of the original allowance for road along the shore of Kashagawigamog Lake, lying in front of Lot 25, Concession 5, in the Township of Minden.

NOTICE IS HEREBY GIVEN pursuant to Section 301 (1) (a) of the Municipal Act, R.S.O. 1980, as amended, that the Council of the Corporation of the Townships of Anson, Hindon and Minden proposes to consider and, if deemed advisable, to pass at its regular meeting to be held in the Municipal Council Chambers on Milne Street, Minden, Ontario, on Thursday, October 13th, 1988, at the hour of 10:00 a.m.; a By-law to stop up, close and convey those parcels of land more particularly described as follows:-

Part of the original allowance for road along the shore of Kashagawigamog Lake in front of Lot 125, Concession 5, in the Township of Minden, in the County of Haliburton, designated as Part 1 on a plan of survey deposited in the Registry Office for the Registry Division of Haliburton as Number 19R-4008.

19R-4088.

The plan of survey is available for inspection in the Municipal Office, Minden, Ontario, during regular office hours.

AND FURTHER TAKE NOTICE that before passing the said By-law at the meeting to be held at the time and place above-mentioned, the Council shall then and there hear in person or by his or her counsel, solicitor or agent, any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at the Township of Minden this 30th day of August, 1988.

CORPORATION OF THE TOWNSHIP OF LUTTERWORTH

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT; and IN THE MATTER OF A proposed By-law of the Corporation of the Township of Lutterworth to stop up and close a portion of the sixty-six foot unopened Original Shoreline (Marine) Allowance for Road around the shoreline perimeter of East Moore's Lake, in front of Part of Lot 24, Concession 5 in the Township of Lutterworth and to convey the afore-said Shoreline Allowance portions to the abutting property owners.

NOTICE IS HEREBY GIVEN, pursuant to Section 301 (1) (a) of the Municipal Act, R.S.O. 1980, that the Council of the Corporation of the Township of Lutterworth proposes to consider and if deemed advisable, to pass at its Regular Meeting to be held at the Council Chambers, 3 miles south of Minden, on Highway No. 35, on Tuesday, September 27th, 1988, at the hour of 4:15 o'clock, in the afternoon, a By-law to stop up and close the parcels of land more particularly described as follows:-

SCHEDULE "A"

ALL THOSE adjoining parts of the sixty-six foot unopened Original Shoreline (Marine) Allowance for Road along the shore of East Moore's Lake, in front of Part of Lot 24, Concession 5, in the Township of Lutterworth, in the County of Haliburton, designated as Parts 1, 2, 3 & 4 on Plan of Survey 19R-4137 deposited in the Registry Office for the Registry Division of Haliburton (19).

A copy of the survey 19R-4137 is attached to the proposed By-law and may be viewed at the Lutterworth Municipal Office during normal working hours.

AND FURTHER TAKE NOTICE that before the passing of the said By-law at its Meeting to be held at the time and place afore-mentioned, the Council of the Corporation of the Township of Lutterworth, shall then and there hear in person or by his or her counsel, solicitor, or agent any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at the Township of Lutterworth this 15th day of August, 1988.

NOTICE

By virtue of the power vested in me as Reeve,
I hereby declare

MONDAY, SEPTEMBER 19

to be

CIVIC HOLIDAY

in the Townships of Anson, Hindon & Minden

Signed

S.G. Nesbitt, Reeve

ANNOUNCEMENT

Comrades, Our Minden Branch 636 is Ontario's newest Charter Member (if not Canada's!) in The Royal Canadian Legion. As your President, it gives me great pleasure to request your presence at the Official Opening Ceremony of our newly acquired premises.

The Ceremony will be held on Saturday, September 17, at the end of "Legion Week". The hours will be from 12 noon to 5 p.m. It will be a light buffet, with a minimal charge of \$5.00 per person. Comrade Presidents of neighbouring Zone Branches, their Executives, plus Provincial and Zone Legion dignitaries, have been invited. Local and provincial elected government representatives are expected as well.

A marquee-tent will be placed on Legion grounds for the grand occasion.

We are counting on your favourable response. Fraternally yours,

Anthony Samarillo, President.

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Circle the words in the diagram and cross it off the list.

It's as easy as that. Have fun!

Q: What has eight wheels but carries only one passenger?

A: A pair of roller skates.

Q: Why is a boat the cheapest form of transportation?

A: Because it runs on water.

Q: What makes a road broad?

A: The letter B.

Q: What does an up to date witch fly on?

A: An electric broom.

IN THE MATTER OF the Municipal Act; and IN THE MATTER OF a proposed By-law of the Corporation of the Townships of Anson, Hindon and Minden to stop up, close and convey to the adjoining landowners portions of the original allowance for road along the shore of Canning Lake, lying in front of Lot 17, Concession 1, in the Township of Minden.

NOTICE IS HEREBY GIVEN pursuant to Section 301 (1) (a) of the Municipal Act, R.S.O. 1980, as amended, that the Council of the Corporation of the Townships of Anson, Hindon and Minden proposes to consider and, if deemed advisable, to pass at its regular meeting to be held in the Municipal Council Chambers on Milne Street, Minden, Ontario, on Thursday, September 22nd, 1988, at the hour of 7:30 p.m., a By-law to stop up, close and convey those parcels of land more particularly described as follows:-

Part of the original allowance for road along the shore of Canning Lake in front of Lot 17, Concession 1, in the Township of Minden, in the County of Haliburton, designated as Part 1 on a Preliminary Plan of Survey by Bishop and Wilson Ltd., Ontario Land Surveyors, dated March 17, 1988.

The plan of survey is available for inspection in the Municipal Office, Minden, Ontario, during regular office hours.

AND FURTHER TAKE NOTICE that before passing the said By-law at the meeting to be held at the time and place above-mentioned, the Council shall then and there hear in person or by his or her counsel, solicitor or agent, any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at the Township of Minden this 11th day of August, 1988.

(Mrs.) Mary Mysyk, A.M.C.T.,
Clerk-Treasurer,
P.O. Box 98,
Minden, Ontario

around the county town

by Jeanne Sears. Call 286-1538

Rita Beckett of Toronto visited with Martha Mansfield and also with Ada Turrall at Hyland Crest, and all three went out to dinner.

Good birthday wishes go to Pearl Durant on September 3 also to Isabella Eastman and Annie Jones on September 9th and then Bill Moore on September 11 and Gladys Kirkpatrick on September 10, Harry for September 3. Some of these people are residents of Hyland Crest.

Saturday, August 27 there was a pot luck supper at the home of Bob and Joyce Wiltshire of Boshkung and this was a farewell party for Mary and Carl Doey who are moving to Bobcaygeon. They were presented with a hand-carved and painted loon. This couple will certainly be missed as both were very active in their community.

Weekend guests with Bob and Bertha Hughes were the Dave Titus family of Orillia and Blake Hughes and girls from Mississauga.

At the Tuesday Luncheon-Euchres at the Legion Hall winners were - high lady Lil Porter, high man May Spence, lone hands Mitzi Alzner and also Ada Turrall with door prize going to Isabel Robertson. For games on September 13 call 286-2733 or 286-2872 for reservations.

Mr. and Mrs. Walter Ackerblade hosted the Ackerblade reunion at their home the weekend of August 27th. Among the 50 people who attended were relatives from Minneapolis, Minnesota, Whitby, Englehart, Brampton, Gravenhurst as well as Minden.

Mary Summers of Weston was visiting for a few days with Eleanor Gilchrist of Halls Lake, the former was on her way to North Bay.

Jean Lacey drove over to Mono Mills with her grandsons who had been visiting her.

Haliburton County's first Studio Tour will be October 1 & 2. Maps are available for this Free Tour of our Galleries, local merchants and the Chamber of Commerce. Sounds like a good idea to go and see the great craftspeople in our area.

Margaret Gardiner of Hudson, Quebec was visiting Eleanor Gilchrist of Halls Lake after camping at Algonquin Park.

There has been a flurry of activity at the old IGA store as it is getting ready for school next Tuesday. It is handy for some of my neighbours as their children will not have that bus trip and may be able to get home for noon meals.

The County Town Museum Senior Committee had a very enlightening meeting with Marlis Lindsay of New Horizons from Peterborough on August 30 at the Cultural Centre. All learned a good deal, as well as enjoying the pot luck luncheon.

Several persons have been on the sick list with good wishes going to Joe Dollo Sr., Charlotte O'Neill, Bertha Hughes, Shirley Hewitt and Chris Pergolas.

Sincere sympathy goes to the families and friends of the late Yvonne Nye, Mary Barker, Grace Myrtle Gill, Egbertje Dykstra and Gordon Bennett whose funerals were since last week.

On Saturday, August 27th forty members of the Windsor family gathered at the home of Roy and Marjorie Windover for the seventh annual Windover reunion where a fun time was enjoyed by young and old. The afternoon was spent playing various games under the direction of Heather Earle and Dianne Hagerman followed by horseshoes, volleyball, scavenger hunts, etc. Soon came the long awaited hour, the delicious supper of casseroles, salads, corn-on-the-cob and pies - a real feast. Something new this year was the decorated hat contest and great milliners in the Windover family; the winners were Ron Earle and Jeanne Vasey. Prizes were awarded and plans were made for next year's reunion after which we made our departure filled with good food, good

feeling and special memories.

Minden Seniors Shuffleboard Club saw winners on Thursday at the card party and they were: high lady - Lorna Bridgman, low lady - Vera Ward, high man - Ida Holmes, low man - Scott Ewing and lone hands - Marion Ingram. The last card party will be on Thursday, September 8 at 1:30 p.m.

Mr. and Mrs. Bob Graham and family visited her parents at Port Colburn last weekend.

Muriel Ewing, Scott and Nick of Toronto spent a few days with me this past week.

Winners at Club 35's card party were: 50-50 - Royce Cruikshanks, most lone hands - George Alsop, high lady - Pearl Foster, high man - Phil Cranley, and other winners: Velda Harrison, Wally Harpur and George Alsop.

We are pleased to report that Ken Rowden spoke a few words on Sunday.

Former Minden resident Allison Masters of Toronto, the daughter of Charles and Shirley Brandon, was the big winner in Thursday's Wintario draw. She won \$100,000. Allison bought her ticket at the Minden Becker's store. Thursday's draw, by the way, was held in Kinmount.

MINDEN BRANCH 636 Royal Canadian Legion

Legion Week starts Saturday, September 10 until Saturday, September 17 (excluding Sunday, September 11)

The Minden Branch 636 welcomes the community into our Branch to observe our organization from the inside. We wish you to be aware of the good work that Legion members are achieving and are planning for the future. We are proud of our membership in Canada's largest family. Please drop in and find out why!

(Public admittance after 5 p.m. on Saturday, September 17, due to a special Legion function)

NOTICE TO ALL POTENTIAL CANDIDATES IN THE 1988 MUNICIPAL ELECTION

Provincial Legislation has recently been passed which directly affects all candidates in the 1988 Municipal Election.

All candidates must file a notice of registration with the Municipal Clerk responsible for the conduct of the election, no later than Nomination Day, and no campaign contributions may be accepted until the candidate is registered.

The new legislation places restrictions on campaign contributions, and limits expenses which may be incurred by candidates.

If you have any questions about the legislation please contact your Municipal Clerk.

Allowances have been increased

by Doreen Hawman

To keep in line with the cost of living as of September 1, 1988, Old Age Security, Guaranteed Income Supplement, Spouses Allowance and Widowed Spouses Allowance have been increased.

Old Age security pension rises from \$315.97 to \$320.08 per month. Guaranteed Income Supplement maximum goes from \$375.51 to

\$380.39 for a single person and for a married recipient from \$244.57 to \$247.75. The maximum Spouses Allowance paid to low-income individuals between 60 - 64 who are married GIS recipients increases from \$560.54 to \$567.83. The maximum Widowed Spouses Allowance paid to low-income widowed persons 60 - 64 increases from \$618.85 to \$626.90. The Canada Pension maximum amount

for 1988 is \$543.06.

If you have a question regarding your pension or need help completing forms, contact the Haliburton County Information Centre located in the Drag River Municipal Building, Maple Ave., Haliburton., The centre is

open Monday - Friday 10:00 a.m. to 4:00 p.m. or call 457-2733.

If you are in the Minden area, the centre situated in the Municipal Building, Milne St., is open every Tuesday from 10:00 a.m. to 4:00 p.m. or you may call 286-4100.

Boat and motor winner

Dave Way of Toronto accepts the congratulations of Legion Draw Chairman Ron Maddock and Minden Branch 636 president Anthony Samarillo as he takes delivery of his boat, motor and trailer won in the organization's recent raffle. Mr. Way's ticket was drawn by Bill Payne at the Haliburton County Fair. Also on hand for the presentation of the prize was Paul Prentice and Steve Berry, of Prentice-Berry Limited, where the raffle prize was purchased.

The Rotary Club of Minden is seeking volunteers to become part of a project to foster goodwill and understanding with other people of the world.

Rotary District 701, will be sending a team of five men, ages 25 to 35 and a Rotarian team leader to District 971 in Australia, to meet with citizens of that area for discussion and examination of conditions in Australia. The program is five weeks in duration, February and March 1989. There is no cost to team members for the basic costs of this program.

Members of the group are carefully selected to ensure that they are worthy representatives of our culture, will benefit from the experience, and will contribute as members of a team.

All applicants must be presently engaged in business or a profession with at least two years experience in his present occupation, must be a Canadian citizen, and employed or reside in Rotary District 701.

A team member may not be a Rotarian, the dependent of a Rotarian or the relative of a Rotarian by blood or marriage. Only males are invited to apply.

Interested candidates please contact: Jack Brezina 286-1288 or 1958 or Peter Bennett 286-2919.

CARD OF THANKS

The family of the late Christena Precor wish to thank Gord Monk Funeral Home and Dr. Dawson for their kindness and support during the loss of our Mother. A special thanks to neighbours and friends for the lunch served after the service at the Gelert Community Centre. Also, to those who brought food to the house, and many beautiful cards that were sent; to Pearl Durant for the use of her house and to those who sent donations to the Hyland Crest Bus Fund and other donations. Thank you for the many beautiful flowers. This makes us realize how wonderful it is to live in a small community. Thank you.
The Precor Children

AT REST

CLERK-TREASURER/TAX COLLECTOR

DUTIES: Reporting to Council, the successful applicant will be the senior appointed official in the Municipality. As the primary advisor to Council, he or she will be responsible for the statutory duties of each office.

QUALIFICATIONS: Preference will be given to applicants who have attained the A.M.C.T. designation, or be willing to complete the course and who will have a minimum of 5 years municipal experience.

SALARY: Salary will be commensurate with experience and qualifications.

APPLICATIONS: To include resume outlining qualifications, experience and references and clearly marked "Application" will be received by the undersigned until 4:00 p.m. September 16, 1988.
